PROFESSIONAL SUMMARY

An energetic, disciplined and dedicated University graduate with Diploma in Basic Education having gained relevant experience through in depth training and constant practices in both Private Businesses and Public Schools, filled with the ability to enrich the lives of both students and business at all times through standardized and proven principles and Methodologies.

A hardworking, team player and determined Licensed Professional Teacher and a website developer and Administrator with minimum of ten (10) years working experience with excellent communication skills, interpersonal skills and the ability to achieve set targets in a timely and professional manner.

My years of Teaching, Business and IT training, practices and experiences has equipped me with skills and knowledge in basic, advanced, planning, controlling, organizing, effective and efficient decision making strategies which I believe has prepared me adequately to fulfill my aspiration of being an employable worker in any business or educational institution. .
